

Cycle Ventures is based in Twizel at the start of the Alps2Ocean cycle trail.

The Alps2Ocean ride was the second of New Zealand's "Great Bike Rides". It runs from Mt Cook in the heart of the Southern Alps to Oamaru on the east coast taking in spectacular alpine scenery, lakes, rivers and unspoilt rural towns. Cycle Ventures provide independent, supported or fully guided bike trips in the surrounding area.

Heli-biking in spectacular remote Otago countryside.

Alps to Ocean Cycle Trail

Single-day options on the Alps2Ocean bike trail. Fully supported and guided adventures or simply rent the bikes and all the equipment you need to go exploring independently.

Options for enthusiastic riders to ride over Dansey's Pass to Naseby or for those more interested in exploring the region and history take their Homestead Bike Tour visiting local farming estates and historic gardens, enjoying lunch on the grounds.

Heli-Bike

Heli-biking takes place on the Mt Dasher High Country Station in the Kakanui Mountains. It is a great way to explore the east coast backcountry with massive views of the Pacific. The riding options cater to beginners with up to 35km of riding. Both options will take most of the day so allow up to 8 hours door to door.
